

# THE BEAUTY OF CALIFORNIA NATIVE PLANTS

## WATERING CAN ART CONTEST

### CALLING ALL ARTISTS

More than any other continental US state, California is rich with diverse native plants deserving a place in our gardens, as well as preservation in the wild.

The Laguna Beach County Water District invites you to participate in its Watering Can Art Contest! The contest provides a unique opportunity for local artists to explore the wonders of California's native plants through the theme: **The Beauty of California Native Plants.**

#### ELIGIBILITY

The contest is open to all Laguna Beach residents.

#### HOW TO ENTER

- Use the Entry Form on the reverse side to create a preliminary design of the artwork to be incorporated onto the watering can.
- Artwork should depict at least one identifiable plant native to California. Include a description on the Entry Form.
- Entry may be created in any art medium type. Artwork must be original.
- Entry must be inspired by a California

native plant. Multiple native plants may be included in the piece. The blossoms should be the focal point of the art.

- Submit entries in person at the Water District located at 306 Third Street, Laguna or email: [jgallardo@lbcwd.org](mailto:jgallardo@lbcwd.org).
- Preliminary art and Entry Form must be received no later than 5 pm, April 3.
- Judging will be based on creativity, neatness, and relevancy to the theme: **The Beauty of California Native Plants.**
- The top 5 designs will be notified that they have been selected to recreate their art onto a watering can provided by the District. All art supplies and materials used in the creation of the design are the responsibility of the entrant.
- Watering cans must be completed and dropped off at the District office no later than 5 pm, April 28.
- Watering cans become the property of the District and will be displayed during the months of April and May at the District's office.
- The top 5 designs will each receive a \$25 gift certificate to Laguna Art Supply.
